SF FILE NUMBER

S-17.03

The enclosed indexes for Richardson Flat and Silver Maple Claims represent all documents which are available to the public on these sites. The enclosed index for Silver Creek Tailings, however, represents only a portion of the existing documents. The remaining documents, comprising approximately six boxes, have not been indexed, nor screened for confidentiality. If you would like EPA to provide more information on the other Silver Creek Tailings documents, you must submit a written request pursuant to the Freedom of Information Act. You would thereby be required to cover all retrieval, review and copying costs incurred by our staff. If costs do not exceed \$25.00, there will be no charge. FOIA rates are: \$0.15/ page, and \$4-10/ half-hour for retrieval and review. Please call me if you have further questions.
